

## THESE THREE REMAIN FAITH

Faith:

- “Pistis” = “1. A firm \_\_\_\_\_, producing a full acknowledgement of God’s revelation or truth 2. A personal \_\_\_\_\_ to Him. 3. A \_\_\_\_\_ inspired by such surrender”

### 1. \_\_\_\_\_ Faith

- Ephesians 2:8-9
  
- John 5:24
  
- John 3:16
  
- In sending his son to die for us, God has made \_\_\_\_\_ for our sins through His grace. This is for everyone, but the condition still lies in that we need to believe in order for his grace to become a reality in the form of salvation in our lives. That is, we need to respond in \_\_\_\_\_ and when we respond in faith, we receive the gift of salvation.
  
- Romans 10:9
  
- Romans 10:17

### 2. \_\_\_\_\_ Faith

- “Faith with \_\_\_\_\_ on”
  
- Galatians 5:6
  
- James 2:14-26
  
- \_\_\_\_\_ faith being \_\_\_\_\_ upon
  
- Matthew 25:41-46

### 3. \_\_\_\_\_ Faith

- A \_\_\_\_\_ trusting in both God and His methods”
  
- Galatians 2:20
  
- 2 Corinthians 5:7
  
- One aspect of faith that we can \_\_\_\_\_ in

### 4. \_\_\_\_\_ of Faith

- 1 Corinthians 12:4-9
  
- A gift of the Holy Spirit for the purpose of \_\_\_\_\_ us in a specific situation/time.
  
- Luke 12:11-12
  
- Acts 7:54-60
  
- When we have done our best with keeping faith but it is not \_\_\_\_\_ for the situation, comes the gift of faith

“There is hardly a word in the religious language, both theological and popular, which is subject to more misunderstandings, distortions, and questionable definitions than the word ‘Faith’” - Paul Tillich
