If we want to make it successfully through this life of worry, stress, anxiety, trouble, fear, and more, we are going to have to learn how to go from worry to wisdom and the first step in that is to stop trusting in our own flawed logic and trust God's perfect ways!

Trust GOD from the bottom of your heart; don't try to figure out everything on your own.

Listen for GOD's voice in everything you do, everywhere you go;

he's the one who will keep you on track. Don't assume that you know it all.

Run to GOD! Run from evil!

Your body will glow with health, your very bones will vibrate with life!

Honor GOD with everything you own; give him the first and the best.

Your barns will burst, your wine vats will brim over.
